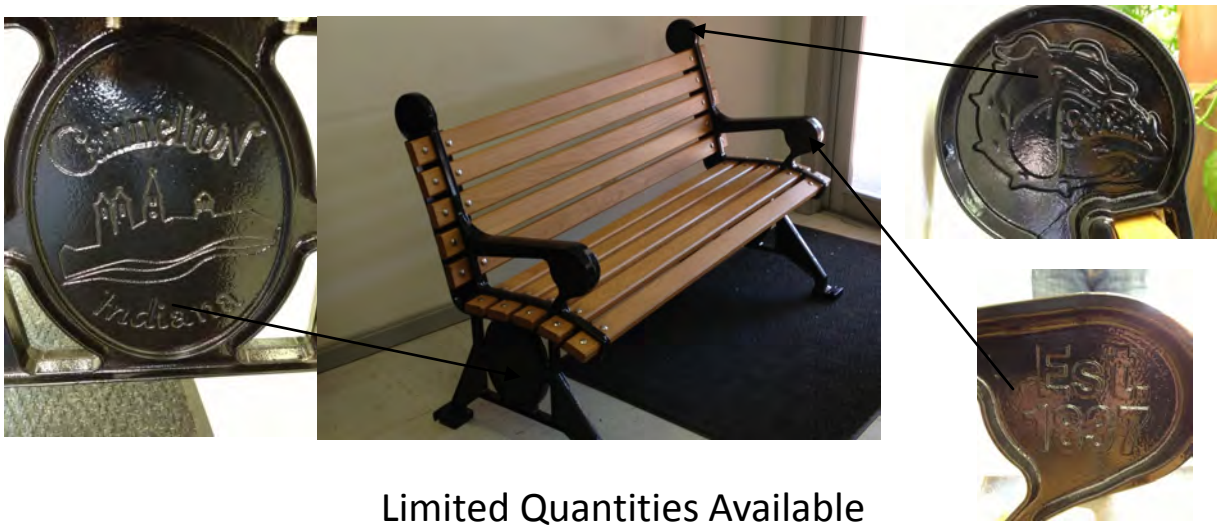
Cannelton Park Benches For Sale



Limited Quantities Available

You can own your own Cannelton bench — handcrafted and donated to the Cannelton Foundation by Waupaca Foundry — and support the Cannelton Foundation at the same time! These beautiful benches, made of cast iron and Brazilian Cherry, are a fraction of the cost of other park benches of this quality. The cost for each bench is $350, an additional $50 includes personalization of one bench slat, if desired. Limited quantities are available so act quickly to get your own bench today. $100 of the cost of each bench is a tax deductible donation to the Cannelton Foundation, a 501 (c) 3 non-profit.
